BUSINESS OF THE ANNUAL MEETING

Nomination of CSAC Officers and Executive Committee Members

The Members of the Board of Directors will meet in Caucus on Wednesday from 4:00 pm–5:00 pm to nominate candidates for the CSAC Officer from that Caucus for the coming year. Nominees must be Supervisors representing counties within that Caucus. Under the established rotation of Officers, selection for 2024-2025 must be as follows:

- President: Rural Caucus
- 1st Vice President: Urban Caucus
- 2nd Vice President: Suburban Caucus

Following the nomination of the Officers, each Caucus will also make nominations to the full Board of Directors for Executive Committee positions to be filled from that Caucus. Nominees must be members of the Board representing counties included within the Caucus. The members of a Caucus may nominate as many candidates for their Executive Committee positions as desired, but the Constitution limits each Caucus to the following numbers of Executive Committee members who will be elected by the full Board of Directors:

- Urban Caucus: 6
- Suburban Caucus: 3
- Rural Caucus: 2

In addition, each Caucus may nominate one representative to serve as an alternate member on the Executive Committee. A Caucus may nominate more than one candidate for a CSAC office and also nominate one or more of those candidates for a position on the Executive Committee. As the election of the CSAC Officers will take place prior to the Board of Directors' election of Executive Committee members, the Caucus Chair at the meeting of the Board of Directors need only withdraw the name of that Executive Committee nominee who has been elected to a CSAC office.

Election of Officers

General Assembly and Establishment of Quorum: The General Assembly begins at 1:00 pm on Tuesday, November 19, 2024, and closes at the end of the luncheon program/election of Officers on Thursday, November 21, 2024. Election of Officers will require a quorum of one-third of the Association membership of 2024 supervisors attending the Annual Meeting.

BUSINESS OF THE ANNUAL MEETING

Further Nominations from the Floor

During the Thursday luncheon program, the President will present the nominations for CSAC Officers from the Director members of each Caucus and then call for further nominations from the floor. Any member of the Association may place an additional name in nomination for any office, provided that the person nominated is from the Caucus to be represented in that office for the year.

Statements By or In Support of Nominees

After closing nominations, the President will allow nominees the opportunity to address the general membership concerning their candidacies. Statements from the floor in support of a candidate will also be allowed, but the President may limit the number and length of such statements to meet overall time constraints.

Voting

Voting for uncontested offices may be by hand, voice vote, or by secret ballot, at the ruling of the President. Voting for contested offices must be by secret ballot. To vote by ballot, each member of the Association at the general session will sign the register located in the meeting room, receive and fill out a ballot, and deposit the ballot in the ballot box following nominations from the floor.

Election to Office Requires the Vote of a Majority

Of the members present and voting for the office. If no nominees received a majority vote, the two nominees who receive the greatest number of votes shall participate in a runoff.

Election of Executive Committee Members

The Board of Directors will meet Thursday, November 21, 2024, after the conclusion of the General Assembly, to elect the Executive Committee. The Board quorum requirement under the Constitution is 25 members.

Board of Directors

The President will place the nominees for each Caucus before the Board for election. Election to the Executive Committee will require a majority vote.
