Graham Knaus, Executive Director
California State Association of Counties
1100 K Street, Suite 101
Sacramento, CA 95814

Dear Mr. Knaus,

State Subventions for Fiscal Years 2022-23 and 2023-24

In a previous communication from our office to yours, dated December 7, 2022, we provided specific information and direction to be utilized by counties to ensure their compliance with changes made to Government Code Section 7903 in the Budget Act of 2022. Changes to that statute require counties (commencing with the 2021-22 fiscal year) to include specified state subventions within their local appropriations limits. The information we provided in that previous communication identified the specific dollar amount for each county attributable to each new subvention that needed to be included in their limits for 2021-22. To the extent that any of these subventions would cause a county to exceed their local limit, our previous communication provided further direction on how to identify and report those excess values to our office by March 1, 2023.

The purpose of this communication is to inform counties that they are to utilize the same subvention information already provided in our December 7, 2022 correspondence for 2021-22, for use in both their 2022-23 and 2023-24 appropriation limit calculations and adjustments pursuant to Government Code Section 7903. To the extent that the subvention values cause a county to exceed their limit in either 2022-23 or 2023-24, those excess values should be reported to the Department of Finance by November 1, 2023 and November 1, 2024 respectively, and by that same date annually thereafter pursuant to Government Code Section 7903. Counties should report this information via email to the following staff: Susan.Wekanda@dof.ca.gov and Matthew.Westbrook@dof.ca.gov.

Moving forward, commencing with 2024-25, Finance will provide updated subvention information no later than February 1 of each year preceding the start of the subsequent fiscal year in which that information will be utilized for local appropriation limit calculations. In the case of 2024-25, that information will be provided no later than February 1, 2024.

Finance respectfully requests that you share this information with counties identified in the attachment to facilitate their compliance with the provisions of Government Code Section 7903.

If you have any questions or need additional information regarding this matter, please contact Susan Wekanda, Principal Program Budget Analyst, at (916) 445-5332.
