## LMS Course Overview

OSPD is excited to open a new on-demand course on the Racial Justice Act. You will learn all the basics, refresh your knowledge, and stay up to date on RJA developments! These videos and written materials have been collected from around the state and are meant to help practitioners regardless of their experience in litigating the RJA.

## Topics Covered

Legislative History of the RJA; Understanding Bias & Identifying Your Own; Statutory Deep Dives and Practice Tips for Language-Based Claims and Data-Based Claims; Resources on Obtaining Documents to Support Claims; Habeas 101 Education; Expert Basics; Appellate Overview; Primers on Prejudice and Remedies.

### MCLE & CRC rule 4.553 Compliance

Earn self-study and specialty MCLE credits, and complete all 10-hours required under new California Rule of Court, rule 4.553 to handle retroactive RJA habeas petitions.

### Evolving Material

This course will be updated based on practitioner feedback and changes in the law as RJA jurisprudence rapidly develops.

### Flexibility

Take this course, or portions of it, at your own pace and on your own schedule. Return to it when you need a refresher or an update on major changes in the law.
